Meeting the People Who Make Lives Better

What's your perfect weekend?

This is a hard one: a nice, chilled weekend crafting and watching movies or a trip to somewhere exciting with my children.

Describe a moment in your current role that made you feel especially proud.

Supporting students to be able to attend Prom-I really enjoy doing this!

What's something surprising about your job that most people wouldn't know?

That attendance is more than just being in school, it's about punctuality, learning, supporting, health and well-being. All these things link.

If you could swap roles with anyone in the Trust for a day, who would it be and what would you hope to learn?

The team in the SEND department-to be able to understand more about those students who need support and ways I can really support them.

What do you think makes your school a unique place to work or learn?

That our school is in the shape of a J! For Joseph.

Do you have a favourite place you love to visit again and again?

Disneyland Paris! You are never too old for Disney.

In one sentence, how would you sum up what "Making Lives Better" means to you?

For people to have more understanding and time for each other.

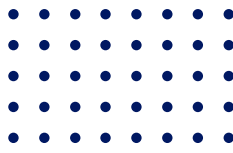

Which book, TV show or film do you recommend to everyone?

High Potential on Disney Plus!

What's one thing on your bucket list you still hope to tick off?

To travel the world, to enjoy and learn about other cultures.

We hope you have enjoyed learning about a member of our Trust family who works so hard to Make Lives Matter. If you would like the opportunity to work with people like this, please visit our Trust website to learn more.
