Meeting the People Who Make Lives Better

What's your perfect weekend?

Spending time with my children, family and friends. We enjoy visiting Chester Zoo or going to the park. I have a season ticket at Manchester City, so it is always good to see a City win! I enjoy walking my golden retriever too – she is called Penny and loves being muddy!

Describe a moment in your current role that made you feel especially proud.

Seeing the love and enjoyment the children and parents have during our shared reading events. Books are such a powerful and important way to bring people together. I am really excited for the National Year of Reading, and I have lots of plans up my sleeve.

What's something surprising about your job that most people wouldn't know?

I worked at St Joseph's for four years, from being an NQT and then I moved away to live in North Wales. After eight years of teaching in Chester, my life took an unexpected turn, and fortune brought me back to work at the school where I started my career.

Which book, TV show or film do you recommend to everyone?

I love Tyger by SF Said. I thought it was an excellent story with a very powerful message. I also love Tanka Tanka Skunk by Steve Webb and The Journey Home by Frann Preston Gannon.

What's one thing on your bucket list you still hope to tick off?

I love to travel! I would love to go on safari and see lots of wildlife in their natural habitats. One of my favourite animals is an elephant. I would also like to visit the Norwegian Fjords and the Maldives!

Do you have a favourite place you love to visit again and again?

Disneyland Paris! I love to visit with my two little boys, our best friends, my sister and my niece. We have a very busy but very magical time! My children say they are going to visit 'Mickey's House!'.

What do you think makes your school a unique place to work or learn?

Our school is an incredibly special place to work. We have a fantastic team of staff, who always put the children first. There is a constant motivation and determination to give our school community the very best we can. We are like one big family and there is always someone to turn to for help.

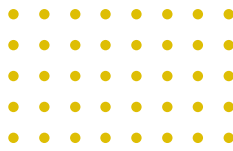

If you could instantly learn a new skill to use in your role, what would it be?

I would love to play the piano! I am determined to learn one day, but I might need to save that until I have a bit more spare time!

In one sentence, how would you sum up what "Making Lives Better" means to you?

Giving children the power, voice and determination to change the world for the better.

We hope you have enjoyed learning about a member of our Trust family who works so hard to Make Lives Matter. If you would like the opportunity to work with people like this, please visit our Trust website to learn more.
