

Past and Present

WHICH SCHOOL DID YOU ATTEND AS A PUPIL, AND WHAT INSPIRED YOU TO BECOME A TEACHER?

I attended Mount St Joseph's secondary school from 2000 - 2006. I always loved school, which I think is also a reason I came back to work here as a teaching assistant in 2012.

So many moments at school made me who I am, and having the teachers I did guide me at that time of my life really made an impact and it made me want to be that kind of person for others.

WHAT WAS IT LIKE RETURNING TO WORK AT YOUR FORMER SCHOOL?

Returning to work at school just felt like I was coming back home. It was like I had never left.

WHAT'S BEEN A PROUD MOMENT FOR YOU SINCE JOINING THE STAFF TEAM?

Joining the school as a staff member rather than a student has been a proud moment for me in itself. Finding my place/role within the school has been the proudest moment. Building the positive relationships with the students and knowing that I've made a difference will always be the best part.

DO YOU WORK WITH ANYONE WHO KNEW YOU WHEN YOU WERE A PUPIL?

I remember when I started my secondary school journey the teacher that helped with my transition is now the Headteacher, Mrs Devany.

Also the deputy head teacher Mr Henshaw was my science teacher.

Now I'm working alongside them as a colleague and hopefully making an impression on students like they did on me.
