

Our Commitment to You

Catering Team

Across our Trust Central Team, every team makes a commitment to our schools. Here are some of the ways each team supports our schools to make lives better for our children and young people. Below, you can see how the Catering Team supports our schools.

1. Provide expert food safety and compliance support, helping schools meet statutory standards with confidence.
2. Support strong cost control and budget management, ensuring catering services remain efficient and sustainable.
3. Deliver staff training and development, building skills, confidence and high standards across teams.
4. Ensure nutritional compliance and effective menu planning, offering balanced meals that meet requirements and pupil needs.
5. Provide operational support and cover when needed, helping services run smoothly and consistently.
6. Lead menu innovation, pupil engagement and themed events, creating positive dining experiences for children.
7. Provide clear data tracking and reporting, helping schools monitor performance and make informed decisions.
8. Offer strategic leadership and improvement planning, supporting long-term development of catering services.
9. Use supplier networks and Trust buying power effectively, securing value for money through strong procurement.
10. Promote consistency and quality across all schools, ensuring high standards throughout the Trust.
