St Teresa of Calcutta Catholic Academy Trust welcomes two more new schools to its growing family.

We are proud to welcome two more schools from Bury to our growing Catholic Academy Trust. This growth is in line with the Salford Diocesan Academy strategy, and we are delighted that these schools have chosen to be part of this exciting journey.

St Bernadette's RC Primary School in Whitefield, Bury, works in close collaboration with a number of our other schools. It is led by Mr. David Proctor and is one of the most popular Catholic primary schools in Bury. The school performs well nationally and is a beacon for its local community.

St Mary's RC Primary School in Radcliffe, Bury, is led by Mr. John Travis. At its most recent Ofsted inspection it was judged as good in all areas. We are sure the school and its staff will support wider Trust development and improvement in the years to come.

Trust CEO, Chris Foley said:

"Over the course of the last academic year we have now welcomed seven schools into our Trust. This is complimented by a continuing improvement trend whereby all Ofsted Inspections of our schools this year have been positive, alongside success with our Catholic School Inspections. Our credibility as a Catholic Academy Trust is now without question and we continue to focus on our mission to make Christ known and make lives better. Both St. Bernadette's and St Mary's will bring their unique charism to our organisation."

Trust Board Chair, Marie Garside, CBE also noted:

"In what has been our most successful year as a Trust so far, we are pleased to welcome both St. Mary's and St. Bernadette's to our family. We are certain they will benefit from the support provided by our services and look forward to the schools continuing to improve over the coming years."
