

St Teresa of Calcutta Catholic Academy Trust welcomes a new school to its growing family.

We are delighted that Mount St Joseph RC High School which serves the community of South Bolton, has joined our Catholic Academy Trust today. This furthers our commitment to the Salford Diocesan Academy strategy and strengthens our shared mission to *Make Lives Better* and *Make Christ Known*.

The school, led by Mrs Alex Devany, is a genuine Catholic community, which has high expectations for all students. Over many years the school has fostered a culture of success, underpinned by the Gospel values of serving others, tolerance, compassion, and forgiveness. The Trust family is delighted to welcome them, their staff and most of all their young people.

Trust CEO, Chris Foley, said:

"Mount St Joseph embodies the values we hold dear as a Trust, and we are looking forward to the school engaging with and supporting the shaping of our growing family. The school's emphasis on fostering a community of care and aspiration aligns with our mission. We are excited to support Mrs. Devany and her team as they continue to provide an education rooted in faith and Gospel values. As each new school becomes part of our Trust we are forever changed, and changed for the better.

Trust Board Chair, Marie Garside, CBE, shared her delight about the Trust's newest member, saying:

"As we welcome Mount St Joseph into our Trust, we celebrate the unique strengths they bring to our collective mission. Their dedication to service, academic excellence, and the principles of Catholic social teaching will enrich our journey together. We are confident they will thrive within our supportive structure and we look forward to the positive impact they will have on our wider family of schools."
