

Publication of Executive Pay

The Academies Financial Handbook requires that the Trust must publish on its website in a separate accessible form the number of employees whose benefits exceed £100,000 in £10,000 bandings as an extract from the disclosure in its financial statements for the previous year ended 31st August and including the prior year's comparative figures. Benefits for this purpose include salary, other taxable benefits and termination payments but not the Trusts own pension costs.
