The Board of the St Teresa of Calcutta Catholic Academy Trust are delighted with the inspection report for St Peter and St Paul RC Primary School following its most recent Inspection. The Catholic Schools Inspectorate judged the school to be Good overall but also highlight key strengths at the school:

The Inspection report noted that:

- The culture of welcome resonates around the school. There is a strong feeling of support, and the school ensures that everyone feels part of the St Peter and St Paul family.
- The pastoral support offered by all staff is excellent. Staff are particularly committed to supporting pupils and their families in times of need.
- The mission to dream, believe and achieve is known by all, and staff bear witness to this each and every day.
- The behaviour of children is excellent: they are happy and know they are valued and cared for

**Headteacher** Louise Bates said of the inspection outcome;

We are thrilled that the inspection team has recognised the warmth, commitment and faith-filled community that define our school family. This report reflects the deep sense of vocation our staff bring to their work each day, and the genuine joy of our children as they grow in knowledge and in faith.

Our mission is not simply a statement on a wall – it is something lived out in every classroom, corridor, and conversation. We are especially proud of the praise given to our pastoral care and the exemplary behaviour of our young people. It is a privilege to lead such a dedicated team, and to work in close partnership with our families and parish community.

This outcome affirms the school's unwavering commitment to nurturing both academic excellence and spiritual development, ensuring that every child is supported to flourish in mind, heart and spirit.

**Trust CEO Chris Foley** went on to say;

We remain delighted to welcome into our Trust the community of St Peter and Paul following such as positive CSI outcome. The school's unique child centred charism adds so much to our Catholic community. This inspection judgement is a powerful affirmation of dedication, faith, and unwavering commitment to the children and families they serve. Inspectors rightly highlighted the strength of leadership and the ambition that drives the school, but the heart of this success lies in the daily work of the staff who go above and beyond to ensure every child is known, nurtured, and supported to flourish.

Since joining our Trust, we have seen that St Peter and St Paul is more than a school—it is a vibrant Catholic community where Gospel values are not only taught but lived out with joy and integrity. The staff's commitment to creating a caring and aspirational environment means that children thrive academically, spiritually, and socially. This judgement confirms that St Peter and St Paul is delivering the exceptional Catholic education its children deserve, and we are deeply thankful to the whole school team for their tireless efforts to shape lives and serve their community with love.
