

St Teresa of Calcutta Catholic Academy Trust welcomes new school its growing family.

We are delighted to welcome *St Mary's RC Primary School*, based in Rochdale, as the newest member of the St Teresa of Calcutta Catholic Academy Trust. This move forms part of the wider Salford Diocesan plan to strengthen and secure the future of Catholic education, deepening our collective mission to Make Lives Better and Make Christ Known.

Under the leadership of Headteacher Mrs. Ruane, St Mary's is a joyful and caring school community guided by the simple but powerful mission: *"We love God, We love learning, We love each other."* This ethos is lived out every day through strong relationships, high-quality teaching, and a nurturing culture where every child is valued and encouraged to thrive. The school's commitment to faith, learning and love is at the heart of its work, making it a vibrant and compassionate place to grow.

Chris Foley, CEO of the St Teresa of Calcutta Catholic Academy Trust, said:

"It is a privilege to welcome St Mary's into our Trust. The school embodies the values we hold dear—hope, courage and innovation—and brings with it a rich tradition of faith, care and academic excellence. We look forward to working closely with Mrs. Ruane and the wider school community as we continue our shared mission of providing the very best Catholic education across our Diocese."

With this latest addition, the Trust continues to build a strong and united family of schools, each one unique in identity but united in purpose—to serve, to lead, and to love, just as Christ and St Teresa of Calcutta taught us.
