

## **Holy Family judged as Good following Catholic Schools Inspectorate Inspection**

The Board of the St Teresa of Calcutta Catholic Academy Trust would like to congratulate staff, pupils and stakeholders of Holy Family RC Primary School following its most recent Inspection. The Catholic Schools Inspectorate judged the school to be Good overall but also highlighted key strengths at the school:

The Inspection report noted that:

- The mission statement is embedded in the daily life of the school, with staff providing a consistent witness to the school's Catholic identity and mission.
- Pastoral care is a significant strength, ensuring that pupils and families receive timely, compassionate and effective support.
- Religious education provides pupils with varied opportunities to present, communicate and deepen their understanding through a range of creative and purposeful approaches.
- Leaders and governors demonstrate a sustained commitment to the professional formation of staff, ensuring that expertise continues to develop in support of the school's Catholic mission.

**Headteacher Elizabeth Evans** said of the inspection outcome;

We are immensely proud of the outcome of our Catholic Schools Inspectorate inspection, which celebrates the distinctive Catholic identity and strong sense of family that underpin everything we do at Holy Family. The report recognises the dedication of our staff, the invaluable support of our parents, parish and governors, and the wonderful contribution our pupils make to our school each day.

Our mission to place Christ at the centre of school life is reflected in the caring relationships, inclusive culture and high aspirations that enable every child to feel valued, supported and inspired to achieve their very best. We are particularly pleased that the inspection highlighted the strength of our Catholic life, the quality of pastoral care, and the way our pupils demonstrate kindness, respect and a genuine commitment to living out the Gospel values in their daily lives.

This inspection outcome is a testament to the collective efforts of our whole school community. Together, we remain committed to providing an education where faith, learning and personal development go hand in hand, ensuring that every child is nurtured to flourish spiritually, academically and socially as they prepare to make a positive contribution to the wider world.

**Trust CEO Chris Foley** went on to say;

We are thrilled that the Catholic Schools Inspectorate has recognised the strength of Holy Family's Catholic mission and the caring, inclusive community that makes the school such a special place to learn and grow. This outcome is a reflection of the commitment and

dedication of the Headteacher, staff, governors, parish and families, who work together to ensure every child is known, valued and encouraged to flourish.

On behalf of everyone at St Teresa of Calcutta Catholic Academy Trust, I would like to congratulate the entire Holy Family community on this well-deserved recognition. We are proud to have Holy Family as part of our Trust family and look forward to supporting the school as it continues to build on this success and provide an excellent Catholic education for all its pupils.
